

WildWatch North Pennines

Reptiles and Amphibians Workshop

Saturday 20th April 5:30pm – 10:00pm

Haydon Bridge Community Centre, NE47 6ET

All welcome, free (including light supper)

© northeastwildlife.co.uk

Sam Griffin, Chair of Cumbria Amphibian and Reptile Group, will lead a workshop on reptiles and amphibians of the North of England. The workshop will include life cycle, behaviour, habitat preferences, identification skills and ability to assess habitat suitability. We will cover commonly used survey techniques and relevant legislation regarding protected species. The event will be a mix of classroom and field exercise focusing on collecting high quality records.

To book visit www.northpennines.org.uk/WildWatch and look under WildWatch Training and Events. Or contact Fiona on 07766706679
